# *Guidelines for Effective Communication*

- Everyone who wishes to speak shall be heard.
- Be respectful of all presenters and their diverse perspectives.
- Speak to be understood, actively listen and seek to understand.
- Comment on the topic of the Village and Barrio Master Plan.
- Speak to things you like in the plan (positive) and things you don't like or could be improved (negative).
- Be respectful of your fellow community members' time.
- Celebrate your involvement.
